

Study Guide ETSF10/ETSF05 (part 2) Internet Protocols

In this course we use as textbook

Forouzan, Data Communications and Networking, 4th ed, McGraw-Hill, ISBN 0-07-125442-7.

This study guide shows the sections of the book which are part of the course. There are two study alternatives:

- **Included** = This is part of the course, and you must be able to account for it.
- **Extended reading** = This is part of the course, but you need not be able to account for it, that is, if you only aim for grade 3.
